

**NOISE VIOLATIONS STANDARD PROCEDURES**  
**Article III Section 62-96, Section 62-97**

All noise disturbance complaints must be called into the Winter Park Police Department. The non-emergency line must be used: 407-644-1313.

The complainant must request that the responding officer verify the violation and write an incident report on each occasion.

The officer must submit a copy of the each incident report verifying the noise ordinance violation to the Code Enforcement Division.

Once three reports have been submitted to the Code Enforcement Division, the case will be processed through the Code Enforcement Board with the potential imposition of fines up to \$250.00 per incident report.
